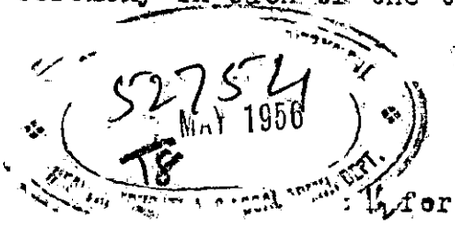
Ref.No.53799/P&D/56 dated 10 May 56.

Sir,

Sub: Buildings - Maternity Blocks at Govt. Hospitals, Coondapur and Udipi - Taking over of - Instructions - Requested.

I forward herewith for the information of Government a copy of letter C.No.9214-G1/56 dated 4-5-56 received from the District Medical Officer, South Kanara on the above subject. In the circumstances stated by the District Medical Officer, South Kanara in his letter cited. I request that the Government may be pleased to accord necessary sanction an expenditure of Rs.250/- in connection with the opening ceremony in each of the two Hospitals referred to.

Yours faithfully,



for Director of Medical Services.

RA/16-5.

Copy of letter C.No.9214-G1/56 dated 4-5-56 of the District Medical Officer, South Kanara, Mangalore to this office.

Sub: Buildings - Maternity blocks at Government Hospitals Coondapur and Udipi - Taking over of - Instructions - Requested.

I have just returned from a tour from Coondapoor and Udipi in connection with taking over charge of a new maternity blocks in each of the above hospitals. Both the blocks could be taken over except for the following requirements at Coondapoor.

1/- Water pump has been ordered but not yet arrived.

2/- A few other minor alterations which have been proposed and are likely to be taken up by the P.W.D. soon.

As regards the maternity block at Government Hospital, Udipi a compound wall is yet to come up and I believe, the P.W.D. authorities are taking this up. Although the maternity block could be occupied, until a compound wall is built, there would be no privacy in as much as, on one side of the block is the main road and just behind is a public restaurant within a few feet. Therefore I feel that a compound wall is an urgent necessity.

No new equipment has been bought. A sum of Rs.5,420/- has been sanctioned to Government Hospital, Coondapoor for the purchase of equipment etc., in G.O.No.Ms.1245, Health dated 10-4-56, communicated in your P.No.91-M/56 dated 21-4-56. The proposal for the increase of bedstrength of Government Hospital, Udipi was submitted to the Director of Medical Services in this office C.No.5806-G1/56, dated 20-3-56 and instructions have been received in Director of Medical Services's R.No.15825-P&D/56-M dated 25-4-56 that the proposals may be renewed in August 56 for consideration as Part II Scheme in connection with the Budget Estimate for 1957-58.

In the meanwhile a D.O. letter has been received from Sri T.A. Pai, M.L.A., Udipi in which he has requested me whether the maternity block at Udipi could be opened by one of the two Ministers Sri B. Parameshwaran, Minister for Religious Endowments and Bhaktavatsalam, Minister for Industries who have scheduled to visit the District during the second or third week of this month. I also anticipate a similar request for the opening of the maternity block at Coondapoor.

3

In this connection I may be sanctioned a sum of Rs.250/- for each of the above two hospitals to meet the expenses in connection with the opening ceremony of the 2 maternity blocks.

Urgent orders of the Government may kindly be obtained in the matter. A copy of D.O. letter received from Sri T.A. Pai, is enclosed.

Copy of D.O. letter from Sri T.A.Pai, M.L.A., "Mukunda Nivas", Udipi. addressed to Dr. Maruthi Rao, District Medical Officer, South Kanara, Mangalore.

The Maternity building attached to the Government Hospital, Udipi, I think, has been completed for a long time now and required little attention before it is occupied. Hon'ble Sri Subramaniam when he came here last time, was remarking why the building was not being utilised. In the course of second week or third week of May, Mr. B. Parameshwaran, Minister for Religious Endowments and Mr. Bhaktavatsalam, Minister for Industries have scheduled to visit the District and do you think that we could get this building opened by one of them? If we make up our mind I think it should be possible and if the occupation is permitted it may relieve a lot of congestion and suffering.

With warm regards,
